[Despatch Abstract.]

Police - District Superintendents of Police - Permanent Advance under contingencies - Increase - Sanctioned.

From
C.K. Vijayaraghavan, Esq., I.C.S.,
Inspector-General of Police,
MADRAS - 4.

To
The Secretary to the Government
of Madras,
Home Department through the
Accountant-General, Madras.

Rc.No.744/Acct/46 dated 17th May,1948.

Sir,

Sub: POLICE - District Superintendents of Police - Permanent advance under contingencies - Increase of - Sanction requested.

--

I request the Government in the circumstances explained below, to sanction the increase in the Permanent advance of the District Superintendents of Police as shown in column (4) of the annexure to meet contingent expenditure in the districts.

2. A statement showing details of the Permanent advance now held by the District Superintendents of Police, the monthly average expenditure incurred in the districts and the additional advance proposed is enclosed. The expansion of the Police and Armed Forces, the previaling communist and agarian troubles and the increased Police activity on bandobast and intelligence work in the districts have resulted in increased expenditure under contingencies in stations and District Police Offices. Similarly the increase in the strength of the Armed Reserves in districts has made it necessary to provide a separate permanent advance to Sergeants Major in charge of Armed Reserves in districts. It is not possible for the District Superintendents of Police to spare the amounts required for the stations and Sergeants Major of Armed Reserves from the Permanent advances now held by them.

3. Contingent expenditure is usually recouped twice a month, but I consider that in the case of Police stations, recoupment twice a month will throw additional work on the Station House Officers who are already overworked due to communist and communal troubles, border situation and general unrest in the districts. The additional advances now recommended will enable the District Superintendents to provide the required amounts of advance to each station and Sergeant Major and I recommend that the additional advances proposed in column (4) of the Annexure may kindly be sanctioned.
